**IEEE InGARSS 2024 Goa**

**InGARSS 2024, Goa, India**  
Dec 2-5, 2024

Dear Researcher,  
On behalf of the organizing committee, we cordially invite you to participate and contribute to our upcoming 2024 IEEE India Geoscience and Remote Sensing Symposium (InGARSS) from 2nd to 5th Dec 2024 at Goa, India. As an esteemed expert in the field of remote sensing, your insights and contributions would be invaluable to our symposium. We believe your expertise would significantly enhance the discussions and enrich the knowledge exchange among participants. The theme of our symposium revolves around "Navigating a Sustainable Future with Geospatial Intelligence". We are confident that your expertise aligns well with the objectives of our event, and your participation would significantly contribute to its success. During the symposium, you can present your research, engage in panel discussions, and network with fellow professionals and researchers. Your perspectives and experiences will undoubtedly inspire and inform our audience, comprising academia, industry professionals, and policymakers. We will be focusing on the Themes like:

- 1: Advanced Remote Sensing
- 2: SAR Imaging and Processing Techniques
- 3: AI and Big Data
- 4: Cryosphere
- 5: Land Applications
- 6: Atmosphere
- 7: Oceans
- 8: Planetary Science
- 9: Instrument Sensors and calibrations
- 10: Mission Sensors and Calibrations
- 11: Societal Engagement and Impacts

**Venue: NIT Goa**

**Registration Fee ( including GST)**

## About the Host City – Goa

Nestled along the vibrant coastline of India, Goa thrives as a bustling and culturally rich hub, encompassing economic, financial, industrial, political, and cultural spheres. Situated at the convergence of diverse cultures, Goa, with its population nearing 2 million, embodies a melting pot of traditions and influences.

Famed for its warmth and hospitality, this coastal city warmly welcomes every visitor, embracing them with open arms. Goa emerges as an idyllic conference destination, boasting cutting-edge infrastructures, exceptional conference facilities, and seamless accessibility from around the globe. Amidst its modern amenities, Goa showcases world-class cultural attractions and diverse entertainment options, offering a unique blend of tradition and innovation for every guest to experience and enjoy.

# About the Host & InGARSS 2024

The **Geoscience and Remote Sensing Society (GRSS)** operates as a technical society within the Institute of Electrical and Electronics Engineers (IEEE). GRSS is dedicated to promoting the involvement of its members in advancing science, engineering, applications, and education within the realm of geoscience and remote sensing, all for the betterment of society.

IEEE is the world's largest technical professional organization dedicated to advancing technology for the benefit of humanity. IEEE and its members inspire a global community through its highly cited publications, conferences, technology standards, and professional and educational activities.

### Mission statement

IEEE's core purpose is to foster technological innovation and excellence for the benefit of humanity.

### Vision statement

IEEE will be essential to the global technical community and to technical professionals everywhere, and be universally recognized for the contributions of technology and of technical professionals in improving global conditions.

# About the InGARSS 2024

One of the most active and rapidly increasing demographics in the global GRSS is the India GRSS (InGRSS). GRSS fosters the engagement of its members for the benefit of society through science, engineering, applications, and education as related to the development of the field of geoscience and remote sensing. InGRSS has been fulfilling the vision and objectives of society in the territory since 2011 with the support, cooperation, and help of the IEEE GRSS global and regional leadership. The Indian GRSS has nine professional technical chapters and 18 student branches. The India Geoscience and Remote Sensing Society Symposium (InGARSS), a premier annual regional symposium of IEEE GRSS supported by IEEE GRSS similar to the International Geoscience and Remote Sensing Society Symposium (IGARSS), has been initiated since 2020. Three successful InGARSS 2020, 2021, and 2023 events were held.

InGARSS 2024 will be hosted by the GRSS Bombay Chapter and IIT Bombay at the National Institute of Technology Goa (NIT Goa), India, from December 2–5, 2024.
